WAAH Science Laureate Awards

For Innovative Research in Science for Society

Nominations invited for

Senior Laureate - 3 Awards
Junior Laureate - 2 Awards
Aim
WAAH Science Laureate Awards are aimed to encourage youth and scientific community to recognize their research in the field of science for addressing societal issues and working towards innovative solutions to such issues. It is also aimed at motivating youth for application of their talent for new breakthrough in science and encourage them to continue their higher studies and research in various fields of science, for overall development of the society.

The Awards

Category A: WAAH Science Laureate Awards - Senior Laureate
Awards for scientists for their research achievements and contribution to society
